

ENVIRONMENTAL POLICY

Purify Air Australia provides clients with high-quality air-conditioning cleaning and servicing, air purifiers, and mould and covid fogging treatments. Purify Air Australia supplies chemical-free products to control the spread of germs, mould, bacteria, and odours.

COMMITMENT:

- To meet our environmental obligations in accordance with Environmental Acts and Legislation and relevant legal and other requirements, including Local Government and contractual requirements and other requirements placed upon the organisation or to which the organisation subscribes;
- To comply with the international standard ISO 14001:2015 – Environmental Management Systems - Requirements with guidance for use;
- To establish and maintain key performance measures to reduce negative environmental impacts and achieve continual improvement;
- To have a positive environmental impact by embracing the use of sustainable resources and improved waste and energy reduction measures;
- To prevent pollution and reduce the release of emissions through our work activities;
- To ensure that environmental management principles are included in all work activities; and
- To monitor, inspect, measure and report the effectiveness of our environmental program and objectives in accordance with the Strategic Plan.

STRATEGIES AND OBJECTIVES:

- To minimise waste production and disposal;
- To minimise the use and disposal of hazardous substances;
- To reduce the use of non-renewable resources and to increase recycling;
- To reduce consumption of resources, water and energy;
- To ensure incidents are promptly investigated, and causes are corrected and prevented from reoccurring;
- To act with due regard for the requirements and expectations of our clients, neighbours and community, stakeholders, insurers, and industry associations; and
- To ensure our suppliers and subcontractors comply with relevant requirements.

The management will review this policy, taking account of any changes within legislation and our organisation and notify staff of any updates /changes. The policy will be communicated to all our franchisees and workers and ensure they are given appropriate training to raise awareness of environmental issues. This policy will be made available when requested to interested parties, including clients and public members.

Greg Merrett
